

# Call for Papers

## Journal: *Journal of Photonic Materials and Technology*

Science Publishing Group (New York, USA) would like to invite you to submit your valuable research work to this international peer-reviewed journal.

<http://www.sciencepublishinggroup.com/journal/aboutthisjournal.aspx?journalid=354>

*This journal is interested in publishing original research articles as well as review articles dealing with all aspects of research on photonic materials and technologies. It will provide a platform for the publication of high-quality peer-reviewed papers in order to enhance advancing technological innovation and excellence for the benefit of humanity in the related field.*

### Author's Benefits

- Copyright for the Author: The author retains the copyright of the paper.
- Abstracting and Indexing: Papers published in the journal could be included by the following indexing databases: Google Scholar, CrossRef, JournalSeek, WorldCat, EZB, WZB, AcademicKeys, Researchbib, DRJI, etc.
- Open Access: It maximizes the opportunity for publications to be read and for authors to be recognized for their contribution in their chosen field and beyond.

ISSN Print: 2469-8423

ISSN Online: 2469-8431

### Subject areas may include, but not

#### limited to following fields:

- Physics of light-matter coupling in nanostructures
- Lasers and photonic integrated circuits
- Electromagnetic wave theory
- Photonics & biophotonics
- Surface plasmonics & nanophotonics
- Electromagnetism
- Integrated electro-optical devices
- Optical amplifiers, optical modulators
- Filters and detectors
- Solid state lighting
- Photovoltaic & solar energy
- Renewable energy sources
- Photolithography
- Electric & magnetic fields
- Non-linear microscopy & ultrafast spectroscopy
- Network theory
- Optical computing and communications in highly integrated all-optical circuits
- Photonic analog signal processing
- Advanced computer architecture
- Power distribution networks & power losses
- Electromagnetic inverse problems

### Guide for Authors:

Detailed information about author guidelines is available at

<http://www.sciencepublishinggroup.com/journal/guideforauthors.aspx?journalid=354>

### Submission Procedure:

Submit papers to our journal is simple via our online system

<http://www.sciencepublishinggroup.com/j/jpmt>

We shall be thankful if you could circulate this information among your colleagues and motivate them to submit papers.

### Editor-in-Chief:

**Prof., Dr. Vladimir V. Rumyantsev**

**Donetsk Institute for Physics and Engineering (DonIPE),**

**Donetsk, Ukraine**
